

## Mini Crawlers

Used Mini Crawler Santa Rosa - We have designed several programs for Mobile Crane Operation at our Crane Training Schools. These programs are recommended for the skilled operator who needs re-certification or certification, and for inexperienced operator who is searching for work in the business. Positions for crane operators are in demand due to their high rates of pay. Crane operators are among the highest paid of whichever heavy equipment operator. Our Crane Training Schools include training and instruction for various mobile cranes. Course subject comprises Wire Rope, Crane Set-up, Lift Planning, Load Dynamics, Rigging, Signaling and Load Charts. The Crane Training School program is best for operators, riggers and supervisors. Course materials include an informative and manual hand-outs. The illustrated safety guidebook features 100 to 250 pages, depending on the course, of important and useful material. Course materials consist of load charts and load chart exercises for the crane with which the trainee is working. More than half of the course involves Hands-On Safety Training. Practical training is helpful for increasing and developing personnel skills levels. Only certified journeyman crane instructors are selected to teach the courses. Our instructors have many years of experience in the industry. For all the course we provide, we could include optional testing mechanisms to customize your training. A skills test is normally administered for programs which consist of H.O.S.T. Trainees would be graded and tested. We provide certified training programs for the following cranes: Lattice Boom/Crawler Cranes; Fixed and Swing Cab Mobile Hydraulic Cranes; Articulated Boom/ Knuckleboom Cranes; Rigging / Signalperson Certification and Training; Certification & Testing; and In-The-Seat Training. Industry standards of practice are changing as new trade requirements surface. There are constant updates to legislation and regulations. Improvements in technology and equipment continue to be made. Industry data collection and analysis detect trends that are changing. Members maintain the advantage of managing their training programs and certifications. Mobile device alerts keep members abreast of personal and workplace safety news.
